Press Release August 9, 2016

The general public is hereby informed that persons who would like to submit nominees for royal decorations should submit the relevant document to the office of the Island Governor by September 15th, 2016. Royal decorations are issued annually as a result of recommendations made from within our community. These awards are usually presented to persons who, in some significant way, have contributed to their community's social, economic or cultural development. The awards are usually issued surrounding the celebration of Kings Day each year when we pause as a Kingdom in recognition of our unity.

Further information regarding this process can be obtained at the office of the Island Governor. Let us take this opportunity and recognize the persons within our community that has played a significant role through their legacy of service to our community
